

New Coloured Shirts Collections

*Just two examples
of our
new Arrivals*

Dear customer,

*So far 2009 has been quite the year! The world is changing fast – politically, economically, even on the streets of our city. In these challenging economic times it is interesting to notice **men are dressing up again**. Recent articles in the Globe and Mail and the Vancouver Sun have acknowledged this trend. You may have even heard **Stefano's interview on News1130 radio!***

*At Gemelli, our philosophy is simple. We believe the most polished look comes down to a well made shirt.
One good shirt can update any suit.*

*We are delighted to introduce our new **Coloured Shirts Collection** that has just arrived from Italy. Take a look at the pictures on the left, wearing these colours will cheer you up!
Some of the shirts come with French Cuffs too.
Please come by the store soon for the best selections of sizes...*

*May through September is traditionally **high season for weddings**. Over the years we have helped many grooms, best men, ushers and wedding guests create just the perfect look, with one of the most important elements:
The Ultimate White Shirt.*

As always we carry a number of styles in a range of sizes. We can fit just about anyone.

Thank you for continuing to shop with us, and welcome to all our new customers!

Stefano and Susanna Campanella
